

Sathya Sai International Organisation

**Important announcement from
Dr. Narendranath Reddy, Chairman, Sathya Sai International Organisation, &
Mr. Deviesh Tankaria, International Young Adults Coordinator,
to all Sai Young Adults.**

May 22, 2020

Dear Sai Young Adults,

Loving Sai Ram. We hope that you and your families are well.

Following the recent announcement that all major SSIO events, including the Pre-World Conferences/Young Adults Festivals and the 11th World Conference scheduled for this year, will be moved to 2021, we want to share an **important update on the World Young Adults Festival** which we had earlier announced would take place in July 2021 in Prasanthi Nilayam, India.

It has been immensely inspiring to see how hundreds of Young Adults all over the world are united in the joyful preparations for this event in accordance with the festival theme: S.A.T.H.Y.A. - Spiritually Awakening The Hearts of Young Adults. This fitting theme has been chosen as it is the name of our beloved Lord, the ultimate goal and the foremost of the five Human Values.

However, in light of the current situation, **the World Young Adults Festival will be rescheduled to July 2022**. We know many Young Adults were eagerly waiting to meet in July 2021, however, let us use this time to delve deep within, intensify our sadhana and our yearning, so that when we do meet in July 2022, we can collectively offer this outpouring of love to our Beloved Bhagawan Sri Sathya Sai Baba.

This said, we are happy to inform that, with Sathya Sai Baba's grace, the Sathya Sai International Leadership Programme for Young Adults (SSILP) Residential Course, Graduation Ceremony and the Sathya Sai Sadhana of Love Programme (SSSOL) for Young Adults, along with an international musical performance, is still scheduled for 2021 in Prasanthi Nilayam; further details will be provided early next year.

Furthermore, we are pleased to invite all Young Adults to join us for the SSIO Online Guru Pournima programmes during 4th – 5th July 2020. The programme will include inspiring talks from Senior Leaders and Young Adults as well as a cultural performance and an international Young Adults musical offering. Further details will be provided shortly.

Throughout 2020/21, there will be many new and exciting opportunities for Young Adults to get involved which will be announced regularly on our website on www.sathyasai.org/YA and on the Young Adults social media platforms: **@saiyoungadults**. Alternatively, please contact your Young Adults Coordinator or email the International Young Adults Coordinator, Mr. Deviesh Tankaria: DTankaria@sathyasai.org.

We are looking forward to meeting you all at the 11th World Conference in Prasanthi Nilayam in 2021 and the Pre-World Conferences/Young Adults Festivals which will be taking place in your respective Zones in 2021.

Let us pray for Bhagawan Sri Sathya Sai Baba's grace and guidance to serve Him with love, devotion and unity.

With Love and Sai Ram,

Dr. Narendranath Reddy

Chairman, Sathya Sai International Organisation

Mr. Deviesh Tankaria

International Young Adults Coordinator
