

Ocean of Music (OoM)

The Ocean of Music subcommittee aims to promote unity through diversity and spread the Human Values of Love, Right Conduct, Truth, Peace and Non-Violence. Building off the momentum of the Love All, Serve All subcommittee, OoM encourages participation and contributions from Young Adults from around the world in creating a repository of original and uplifting devotional and Human Values based musical compositions and offerings.

In addition to this, OoM plays an integral role in preparing and planning the musical offerings for the Sathya Sai International Leadership Programme (SSILP). As the momentum builds towards the World Young Adult Festival 2021, the OoM subcommittee will be a key contributor to the musical offering for the festival.

OoM provides a creative outlet for global YAs to express and share their musical talent with an aim to ignite the flame of unity in diversity around the world through these beautiful and melodious musical renditions.

Serve the Planet (STP)

The Serve the Planet (STP) subcommittee aims to empower Young Adults with the vision and realisation of the unity between God, nature and man. Over the last three years, the STP has been raising awareness on key environmental issues that have been plaguing our Planet Earth. The awareness efforts include interactive study circle guides, presentations, personal and centre tips, community outreach guides, social media campaigns and Sai Spiritual Education (SSE) initiatives.

The theme for the STP Subcommittee this year is **Building a Values-Based Sustainable CommUNITY**. STP 2020 will further explore and implement the “See” and “Tell” phases. By working in Unity and applying the five Universal Human Values of Truth, Right Conduct, Peace, Love, and Non-Violence that embrace the entire creation, STP aims to continue engaging in the practice of eco-spiritual discipline and initiate the sharing of transformative experiences within our communities while endeavouring to be more sustainable. The time to act is now!

Young Adult International Engagement (YAIE)

The **Young Adults International Engagement (YAIE)** subcommittee aims to provide Sai Young Adults (YAs) with the tools, materials and knowledge to support and guide them in sharing Sathya Sai Baba's Message, His Universal Teachings and the work of the Sathya Sai International Organisation (SSIO) at various public outreach events such as, places of work and study, interfaith programmes and other public forums and community based events.
