

SAI VIJAYAM

(Great Victory to Sai)

... is a CD recording commemorating the
80th Birthday Celebration of
Bhagawan Sri Sathya Sai Baba

The music presented
on this compact disc titled,

SAI VIJAYAM,

is offered as
pranams
at the lotus feet of

Bhagawan Sri Satya Sai Baba,

the Avatar
of this
Kali Yuga Age.

Dearest Swami,

First of all, we acknowledge that You are the 'Real Doer' in every aspect of our life. Our gratitude and devotion to You seem so insignificant and miniscule when attempting to comprehend the mercy and grace that You have bestowed upon each of us time after time, in lifetime after lifetime. Without having the full knowledge and acceptance of Your presence in our lives, it is extremely difficult for us to fathom how our existence would be in this Kali Yuga Age, for we realize that without You, our lives would be dreadful, fearful, and miserable! We feel so blessed, and, we continually remain amazed at how providential and fortunate it is for us to be here at this auspicious time with You. Thank you, thank you, thank you, for your physical presence among us on this earth!

Several years ago, we were contacted by Dr. Sastry V. Pappu. He wanted to know if we would lend our energies in helping to create a new musical setting for the newly revised version of the **108 Names of Bhagawan Sri Satya Sai Baba** that he had edited. We agreed to work with him. We talked with other long time devotees who were well experienced with singing in Sanskrit the established rendition of the **108 Names of Bhagawan Sri Satya Sai Baba**. Many of them have even committed this song to memory. They balked at the idea of any change being made to the **108 Names**. As a result, we expected limited help from them.

We decided that another workable approach to introducing this change of the order of the **108 Names** could occur with having it sung in English and presenting it with a different musical style; one that is commonly used in the Western Hemisphere, i. e., having it sung in harmony. At the same time, we felt it might be wise to create this musical setting utilizing the same tune which is familiar to those who are already singing the **108 Names**.

This portion of the planet where we live is not yet familiar with the terms: Vedas, Sanskrit, and Bhajans. Those who inhabit this area, in general, have a misguided and minimal understanding of the accepted religious customs and practices of anything other than the Christian faith. This same group also has little or no knowledge of You, in the form of Satya Sai Baba, our beloved Swami.

The enclosed CD, **Sai Vijayam**, has been created specifically for that core of humanity who at present has no knowledge of Satya Sai Baba. To help them, they will need something a little more familiar in style and sound when You make yourself known to them. We believe that using the English language and singing the selections in harmony will assist in bridging that gap and easing the cultural shock that many will experience at that time. Some of us can readily identify with that experience. Initially, some of us had a difficult adjustment to the Bhajan concept when we first started attending the Sai Centers.

Dr. Pappu also provided to us other song texts that he had written. Musical arrangements were then created for them. Dr. Pappu suggested that these selections be combined into a CD which was to serve as a birthday gift to You. It was to be titled: SAI VIJAYAM. Dr. Pappu's preference was that the music should be uncomplicated, sung with clarity, and have little or no accompaniment. That is primarily the reason why many of the selections on this CD are sung a cappella, which provides an excellent opportunity to introduce music being sung in harmony. Also, we utilized the opportunity to apply this same type of harmonic treatment to some of the old familiar tunes that are well known and frequently sung at many Sai Organization functions. The reason why the selection: **Petitions to the Lord**, has a more complicated accompaniment is that it was recorded previously and separately to our collaborating on this particular CD.

Dr. Pappu insisted that we sing the selection: **Sai Vijayam** in Telugu, specifically for You.

When You are the Doer, how can we give You anything more than our love? It is with that understanding that we offer this CD to You to be used as You deem best, for You do know what is best! We only want Your Will to prevail! That is all that truly matters!

Sai Vijayam - Great victory to Sai!

THE 108 NAMES OF BHAGAVAN SRI SATYA SAI BABA

The story of the avatar and his mission
LOS 108 NOMBRES DE BHAGAVAN SRI SATYA SAI BABA
La historia del avatar y su misión

The SAI AVATAR, comprising the trinity of SHIRDI SAI, PARTHI SAI and PREMA SAI, is considered to be the pristine AVATAR in the age of Kali, our present time. Shirdi Sai ended His sojourn on earth on October, 1918. Eight years later, Parthi Sai was born on November 23, 1926 in the village called Puttaparthi in the state of Andhra Pradesh in South India. Parthi Sai bears the name: SRI SATHYA SAI BABA, which literally means the personification of Truth and the Creation Principle. His name and glory are now spreading to the four corners of this world. The original compilation of 108 names of BHAGAVAN SRI SATHYA SAI BABA is rearranged here to tell a story of the Avatar's advent, glory and mission. As revised by Dr. Sastry V. Pappu, published by the Sai Trust Publications and sung by Dennis Neal on the 'Sai Vijayam' CD presented to Swami for his 80th Birthday, November 23, 2005.

El SAI AVATAR, que comprende la Trinidad de SHIRDI SAI, PARTHI SAI y PREMA SAI, es considerado como el prístino AVATAR en la era de Kali, nuestro tiempo presente. Shirdi Sai finalizó su estadía en la tierra en octubre de 1918. Ocho años más tarde, Parthi Sai nació el 23 de noviembre de 1926, en la aldea llamada Puttaparthi en el estado de Andhra Pradesh, en el sur de la India. Parthi Sai lleva el nombre: SRI SATHYA SAI BABA, que literalmente significa la personificación de la Verdad y el Principio Creador. Su nombre y gloria están ahora esparciéndose por los cuatro costados de este mundo. La compilación original de los 108 nombres de BHAGAVAN SRI SATHYA SAI BABA es reorganizada aquí para contar la historia del advenimiento del Avatar, Su gloria y Su misión. Revisado por el Dr. Sastry V. Pappu, publicado por el Sai Trust Publications y cantado por Dennis Neal en el CD 'Sai Vijayam' presentado a Swami para su 80° Cumpleaños, 23 de Noviembre de 2005.
